The Boys & Girls Club is more than just a place for kids to recreate and learn. The club provides opportunities to enhance the quality of life for all of our community's youth. The mission of the club is to work toward helping youth of all backgrounds, with special concern for those from disadvantaged circumstances and develop the qualities needed to become responsible citizens and leaders. Character development is central to our programs.

Funds raised will be used to support the many activities and programs at the club. The Don Moyer Boys & Girls Club provides a safe place for over 1,400 children ranging in age from 6-18 years old.
